A day-to-day partner

Need advice, monitoring or support? The jobup.ch team has in-depth knowledge of the market in French-speaking Switzerland and of human resources and its problems. With its flexible and close-up approach, it offers you ongoing support to meet all your recruitment needs. Jobup.ch also provides training for your users and ensures continuous quality control of its platform.

All our solutions at your disposal

For companies and recruitment agencies, jobup.ch has developed simple, fast solutions adapted to the market's requirements: a "customised" recruitment management to ensure that you achieve profitability, autonomy and efficiency.

- ▷ Publish your postings and manage your applications.
- ▷ Find your future employees among the 190,000 CVs in our database.
- ▷ Communicate in a targeted way through our dedicated spaces.

Benefit from our visibility ...

Thanks to its special links and strong advertising presence in the media, jobup.ch deploys its visibility to assist yours. In this way, you multiply the opportunities for hitting your targets.

... and our network

You also benefit from our distribution force thanks to a large network of partners and integration into other vehicles of communication:

- ▷ On online recruiting platforms associated with jobup.ch (jobs.ch, topjobs.ch, ALPHA.CH and specialised platforms);
- ▷ In the press and on the Web (20minutes, Tribune de Genève, 24heures, Le Matin, Le Temps, etc.);
- ▷ On social networks, on our mobile apps and via our email alerts (JobMailer).
