## POSTING JOBS

When you purchase multiple job postings you are given access to our recruitment management system so that you can post jobs onto our network of websites whenever you want to. Telephone training is provided with regards to this and you will be sent a training document that highlights how to maximise your job postings performance across our various websites. You will also have a dedicated Account Manager in case you need help with anything at any time.

We are fully integrated with **Broadbean**, **Idibu**, **JobMate** and **Logic Melon** and we can also be integrated with various **Talent Management Systems** so that you can post jobs directly from these onto our Network of Websites. For more information on some of these please visit – [www.solarjobsuk.com/talent-management-partners.cms.asp](http://www.solarjobsuk.com/talent-management-partners.cms.asp)
